## Waves C1 Comp-gate Download

as i mentioned above, waves have included some of their lesser known plugins in the bundle. vintage is an analogue emulation of a console echo, while fully analog is a tape style echo emulation and chronoguard is a 24 track tape scrubber. wave's included plugins are not part of their standard bundle prices, so you'd have to buy them individually to get them. the three plugins that are included with the waves silver bundle are bass player (opens in new tab) a free version of waves bass player, bass isolation (opens in new tab) an
