Latest version of Winkawaks,Best Neo Geo Emulators,and . 602 Reply.Q: Mysterious comma issue in WPF ListView Header The only thing I can think of that could cause this is that I have a variable-height column in the listview. However, the rest of my source code looks pretty clean. Am I missing something obvious? I have a listview with a single column that is set to a fixed height (via the property attached to the header). The itemscontrol has the scrolled event set to it, and it is also the only control that has focus. During the scroll, the comma is clearly visible in the listview as the text in the 79a2804d6b
