You need to dedicate some time and effort to it. But when you do, the experience is well worth it. The fact that there are so many ways to play Albion Online is a great boon. There's no single right way to do things, and many of the options are fun to try and the might improve your game considerably."(Capcom) - "The game is simple. But simple doesn't necessarily mean easy. In fact, it's the opposite. And in that it's accessible. If you want to be able to play Albion Online at any time and still have a good experience, you need to be able to devote a certain amount of time to the game. (30 to 60 minutes, at least.)" Ask Gene: How Do You Store CBD Oil? There's a lot of chatter out there about storing CBD Oil. I wanted to share the answer to a friend's question about how she should store her personal stash. Q: "How should I store my CBD Oil? I have a 32 oz jar from CBD Life and never know what I should do after that." A: My preference is to store in the refrigerator. We even bought several labels with the number "16" that indicate that it has to be stored in the refrigerator to retain the goodness of CBD. I let the bottles sit on my counter and they stay fresh and potent for months. I plan on taking the 16 bottles away to different friends so they can have them for the Holidays. I usually just hide it in the back room of my house and hope I don't forget about it! Disclaimer: All information is intended for your informational only, not medical purposes. Comments I use CBD and rub Oil for my pain and it works great. I keep it in a glass bottle and keep it in my medicine cabinet out of the light. It keeps very well and I guess it's stored the same way as regular medicine. I've tried both and prefer my CBD tinctures because there is less of a chance that you will over dose or forget to take a dose. I've taken other tinctures in the past and in the few times I've stored them, they ended up very bitter. You can buy CBD oil in pretty much any store nowadays, including "mom and pops". Most have great products, but some of

the prices are outrageous. Most of the major national chains have several quality brands. Talk to your preferred stores and see what they offer. I agree with Apodox. They are a fantastic option. I've tried a couple of different ones over the years and they've all been good. I like the taste, the feel on my skin, and how
