Call of Duty: Modern Warfare 2 is a first-person shooter developed by Infinity Ward for the PlayStation 3, Xbox 360 and Microsoft Windows platforms. As the sequel to Call of Duty 4: Modern Warfare, the player takes control of a highly trained US Army “Black Ops” team that has been activated to conduct various covert operations in the modern warfare setting of urban environments and rural areas. The player’s mission is to eliminate designated targets while infiltrating into enemy-held territory. While aiming and moving is an essential aspect of the game, the player is also required to listen and learn their teammates’ tactics, listen to their orders

and observe their surroundings to better identify and eliminate their targets. The most-anticipated game of the year and the sequel to the best-selling first-person action game of all time, Modern Warfare 2 continues the gripping and heart-racing action as players face off against a new threat dedicated to bringing the world to the brink of collapse. Firefight: An all-new combat experience powered by the new console experience in Call of Duty 4 and Call of Duty: World at War that creates the best online experience for players. The Firefight mode lets players stay connected and continue to play when at home when there is a loss of Internet connectivity on PlayStation3. Hardened: Modern Warfare 2 is the first multiplayer game to feature a new level progression system giving players fresh and exciting content as they play through the game. Each weapon and attachment delivers a different progression dynamic that can be unlocked and used as

the player chooses.
